

How to Install Premiere Pro 2026

[Sign in](#)

Step 2: You will be directed to google drive upon signing in or if you're already logged into the email account. Navigate to shared drives as shown below.

Step 3: In the shared drives, you will find the Software folder. Click on the folder.

Step 4: Click on Updated 2026.

Step 5: After getting into Update 2026, you will find folders with your faculty name. Selected the one in which you are a part of.

Note: Your faculty folder determines the availability of the software you need for your normal class operations.

Step 6: After selecting the faculty, select the year in which you are enrolled in.

Step 7: Select windows folder and then click on Premiere Pro 2026 folder and download the file.

Step 8: Select windows folder and then click on Premiere Pro 2026 folder and download the file. A popup will appear, click download anyway to continue.

Step 9: After the file has been downloaded. Extract all files. And double click on **Adobe.Premiere.Pro.2026.u3.Multilingual Disc Image File**.
